Cindy,

These mistakes are negatively impacting my son. [REDACTED]

[REDACTED] Again, I am asking for someone to investigate why this occurred, and let me know what has been done to correct what has occurred.

Cindy,

[REDACTED]

[REDACTED] I do not appreciate misleading information, which ultimately causes more distress and issues. I am copying his attorney on this as well, so that they can receive appropriate communication regarding [REDACTED] while in custody and during due process. What is the County going to do about these mistakes?
